

Medication Authorization Form

Pursuant to Title 5A, Chapter 1 of the District of Columbia Municipal Regulations (DCMR), Section 153.1; "A Licensee shall not administer medication or treatment to a child in care, with the exception of emergency first aid, whether prescription or non-prescription, unless: parental permission to administer the medication or treatment is documented on a completed, signed, and dated medication authorization form that is received by the Licensee before the medication or treatment is administered or a licensed health care practitioner has approved the administration of the medication and the medication dosage."

Pursuant to Title 5A, Chapter 1 of the District of Columbia Municipal Regulations (DCMR), Section 153.5,"A Licensee shall maintain a medication log, on a form approved by OSSE. Each time medication is administered to a child, a staff person shall enter the date, time of day, medication, medication dosage, method of administration, and the name of the person administering the medication in the medication log.

to administer the following
